

FundScrip

powered by Fundstream Inc.

Where shopping is fundraising!

It's easy. It Works. And best of all: it's free!

You pay for your everyday expenses with gift cards bought from Fundscrip, and a percentage of the gift cards purchased is donated to St. Paul's.

No sympathy purchases

No need to buy things you don't want or need.

The money raised will go to help fund our Youth Program.

What Do You Do To Start::

- Look at the list of retailers who you can purchase gift cards from .
- There are over 170 different retailers to chose from.
- Pick which gift cards you would like and the amounts. (\$10 and up)
- Now fill out the paper form and bring it to the Parish Office or give it to Laura Anne at the Fundscrip table on Sunday. Payment must be given at this time.
- A second option is to go online to place your order. You go to **fundscrip.com** and look for the sign-up button in the right hand corner. Fill out the form using the Invitation Code for our Group: YDE8RH. (You can have your order come to the church with the paper orders so you do not have to pay shipping.)

How it works:

- We will have a table set up on Sundays where you can order your gift cards.
- The orders are then placed and the gift cards will be ready for pick up the Sunday after the order date.
- Our first order date is **June 29** so I must have all orders by the Sunday afternoon as the order must be placed that evening.
- We will place orders once a month to begin with and hopefully we can increase to twice a month as the program takes off.

This is an ongoing fundraiser that will help keep the funds available to have a Youth Leader.

- If you give gift cards as gifts on Birthdays or Christmas think ahead and purchase them through this program.
- Buy cards each month for your groceries or gas
- Suggest to family and friends to join-up. They don't have to be a member of the parish to participate they just need our Invitation Code.

We are also looking for another Administrator for the program. Laura Anne will need help on Sundays to sit at the Fundscrip table and as the program grows (as we hope) with doing some ordering. Please contact Laura Anne if you would be interested in helping (403 256-1428)
