The Cathedral Poppy Project: 2018 marks the 100th anniversary of the end of the First World War. The aim is to knit or crochet thousands of poppies that will be displayed on the outside of the Cathedral during the weeks preceding Remembrance Day. If you would like to help in this venture please contact the Cathedral office for information by email: office@anglicanecathedralcalgary.ca

The Prayer Chain group are devoted to trying to

help people feel hope in getting their prayers to the Lord's ears. The more people who pray the better. We don't need "formal" prayers—just lift their names and worries up to Him.—He knows, and will act as He sees fit. We just have to Trust.

If you are interested in joining us please contact the Parish Office. No special time to pray just when out and about - lift their names and needs up and He hears.

Thank you Dinah Breu who coordinates this ministry and to everyone who serves in this Ministry. Your devotion praying for our Parish family is greatly appreciated.

PWRDF responds to Gaza Crisis

May 22, 2018 | By Christine Hills

The Al Ahli Arab Hospital in Gaza City has sent an urgent call for help as the death toll in Gaza continues to rise. On May 14 alone, 2,700 citizens were injured and 58 killed. The situation is critical at all area hospitals. The AAH is implementing an emergency response that includes a wing with additional beds and staff to treat the injured. The immediate needs include medical supplies, medicines, fuel for generators and support for those working non-stop to treat the wounded and traumatized.

PWRDF is accepting donations at our secure online donation page, or by any other means you wish to use. Please specify Gaza under Emergency response.

NeST Update: (May 20)

NeST met with the Al Jawi family May 6 to discuss what will happen next in their settlement journey as we approach the end of our one-year sponsorship agreement. It was a very positive meeting with much to celebrate. Both parents are close to achieving a language benchmark that will qualify them for employment in Canada and Khalil has begun applying for carpentry jobs. NeST will begin to transition financial support. The children are doing well in school and the whole family has made astonishing progress in English language learning in the past 11 months. Classes for the adults will be ongoing but may move from full time to part time over the next few months to accommodate full time employment. Homework visits will be scaled back during Ramadan at the family's request, but may continue into the summer as more general literacy activities pending the family's and volunteers' schedules. Or there may be more social visits! The family took an exciting step towards independence this week with the purchase of a 2004 Kia minivan from the proceeds of Khalil's part time restaurant job. They continue to express their gratitude to everyone for the help received thus far, including the generous donation of the ticket proceeds from the Steve's Place concert (May 11) as a gift towards the family's future expenses. They indicated their hope (echoed by NeST volunteers) that the friendships formed will continue well into the

future.

Inreach With many in our Parish congregation going through financial struggles at present due to the economy, a special fund has been set-up. Donations marked "Financial Help for Parishioners" are also welcome. If you are in need of financial help, or know of someone in our Parish who is (and you have their permission), please let Fergus know. He will maintain absolute confidentiality. This is one way we can care for one another, and all get through this challenging time together. Thank you to everyone who has donated to this fund, which presently sits at approximately \$1,100, with \$3,800 having been disbursed.
