## Outreach

**PWRDF** in Masasi: For 20 years The Primate's World Relief and Development Fund has partnered with the Diocese of Masasi in Tanzania on several projects. The most recent programme is All Mothers and Children Count, which has the goal of improving maternal, newborn and child health. This program is supported by Global Affairs Canada with a 6:1 funding match. In February, as the program finished its second of four years, PWRDF was able to report significant improvements in health service provision, and increased family food security, for mothers, pregnant women, and children under five.

Donations marked "Financial Help for Parishioners" are also welcome. If you are in need of financial help, or know of someone in our Parish who is (and you have their permission), please let Fergus know. He will maintain absolute confidentiality. This is one way we can care for one another, and all get through this challenging time together. Thank you to everyone who has donated to this fund, which presently sits at approximately \$1,943.42, with \$3,800 having been disbursed.

**Habitat for Humanity Interfaith Build:** Soon the final phase of the campaign to raise \$1 million to build 10 affordable homes in Calgary for deserving low-income families will begin. With your participation along with dozens of other congregations, we are optimistic that we can achieve our desired goal. There is no better way

to get involved than actually picking up a hammer and nail! Our Diocese is joining with our Christian, Jewish, and Muslim colleagues and friends in this noble project.

Watch for more information to come on how to get involved!
